### By Train

- Hartshill Yard is not walkable from a train station. It is a 7-minute taxi journey from Atherstone and a 10-minute taxi journey from Nuneaton.

### By Car - A5 South

- Hartshill Yard is located a short distance off the A5. From the South East follow A5 until you reach a large Island at Mancetter and turn left onto Harpers Lane (B4111) signposted to Dobbies Garden Centre. Follow this road passing Dobbies Garden centre on your left and continue round a sharp right hand bend under the railway bridge, indicate right and turn immediately right onto Atherstone Road. Be careful, tight turn and traffic blackspot. Go over the canal bridge which is traffic light controlled, continue for 20 meters then turn left into the yard. Please be careful entering and exiting the yard as it is a tight turn on to a fast moving road.

### By Car - M42

- Exit the M42 at junction 10 onto the roundabout. From the north take the 1st exit and from the south take the 3rd exit onto the A5. Continue on the A5, passing by the turning for Atherstone, and on the approach to a large road island at Mancetter get in the right hand lane and take the filter round the island leaving the A5 and turning into Harpers Lane (B4111) signposted to Dobbies Garden Centre. See further directions above.

### Car Parking

- Parking is located in the lower area in front of the workshops.
