Dear Dorothy

Thank you for an extremely helpful and informative conversation last week.

Fillongley Parish Council hereby formally applies for the designation of the Neighbourhood Area as required by Part 2 Paragraph 5 (1) of the Neighbourhood Planning (General) Regulations 2012. Fillongley Parish Council is the relevant body authorised to act in relation to the proposed Neighbourhood Area as defined by Schedule Part 1, Paragraph 6 1 G (2) (a) of the Localism Act 2011.

The Council wish that the area to which the application relates should be coterminous with the boundary of the Parish of Fillongley. It is wholly in the jurisdiction of Fillongley Parish Council and is therefore considered appropriate.

Fillongley Parish Council wish NWBC to designate the area for the following reasons;

- Clarity with neighbouring parishes, County, Borough and Town Councillors and residents as to where responsibilities start and finish,
- A desire to include all areas of the parish within the Parish boundary in the future development of Fillongley

Yours sincerely
