- a) General – all four Licensing objectives (b, c, d, e)

Stonebridge Golf Centre is a well-managed club which is looking to increase its income from wedding receptions and Christmas parties. We are currently in process of applying for a civil licence so that we can host ceremonies here at the club. We are a responsible organisation that prides its self on looking after our guests and ensuring that all those that attend a function here at the club do so knowing that they are in safe, clean environment and therefore enjoy and respect the facilities that we have to offer. During the last six years we have never had any incidents that have been as a result of guests attending a function, dining in the restaurant or visiting the club. This is why I believe our application to vary the hours available to serve alcohol should be considered positively.

- b) The prevention of crime and disorder – All our events are pre-booked in advance so we know the numbers attending, none of our events are open to the general public to attend. We have security barriers at the entrance to the car park which helps prevent any undesirable people entering the premises. We also adopt and enforce the challenge 21 policy to ensure that safety of children and young adults whilst they are at the club. We regularly patrol both the internal and external areas of the club to ensure that our guests are safe whilst at the function. Due to our location all our guests have to leave either by using their own transport or taxi, this ensures that there is no disorder once the function or event is over.
- c) Public safety – We will restrict the number of guests attending any function to a maximum of 140. This falls well within the fire risk assessments for the club. We ask for a guest list from the organiser of the function so that we know who has been invited and can ensure that the numbers are within our own restrictions. We have upgraded all our external lighting to and from the car park to ensure that our guests enter and leave the building safely. We also adopt and enforce the challenge 21 policy to ensure the safety of our guests.
- d) The prevention of public nuisance – The golf club is situated approximately 0.75 miles away from the main road and any private dwelling. All music played is contained with the building as we do not permit music played outside of the property. The events that we host are all pre booked and or ticketed events, we ask all organisers to ensure that taxis have been pre booked before the event takes place to ensure minimum nuisance for the guests, staff and neighbours.
- e) The prevention of children from harm – In 2010 the club was awarded the Golf Mark and Golf Mark award which proves we have the policies and procedures in place to protect children from harm. We have also made the decision at the club that we will never host an 18th or 21st birthday party. We do not allow any form of adult entertainment to take place at the club. We adopt and enforce the challenge 21 policy.
