MANDATORY CONDITIONS

The licence does not permit the sale or supply of alcohol.

CONDITIONS CONSISTENT WITH THE OPERATING SCHEDULE

General – all four licensing objectives (b,c,d,e)

- a) Applying for this licence has put these issues, squarely, on the agenda of the V.H. management committee. The four licensing objectives will be discussed, monitored and supported, at our monthly meetings. It is our policy, that the booking Secretary refers to committee any application for booking, which might infringe any of the 4 licensing objectives.
- b) **The prevention of crime and disorder** – We are seeking advice from PC Ian King, in respect of premises security.
- c) **Public safety** – We are seeking from Barrie Jones, Fire Service, to ensure that our existing fire safety equipment & procedures are valid and up to date. We take a regular accessibility audit, to ensure that the hall is user friendly for people with disability. We make every effort to keep up to date with Health & Safety issues; often led by the Preschool.
- d) **The prevention of public nuisance** – By the nature of our organisation, we are in touch with the local community. People with problems can air them freely: either verbally, in writing or go on the forum web site: www.fillongleyvillagehall.co.uk. All complaints are heard and dealt with at monthly committee meetings.
- e) **The protection of children from harm** – The preschool is Ofsted inspected and subject to all appropriate rules and legislation, regarding the safety of children. Preschool committee members are alert to potential problems and keep us informed. Also on the committee, we have people with teaching and others with youth club experience.

An extra hour for Bank Holiday weekends, Christmas, New Years Eve and Saint's days.

Any outdoor events, or in a marquee, would be held in the Spring and Summer months.

Environmental Protection Condition – Due to proximity of the village hall to nearby residential properties all doors and windows are to be closed after 23:00.
