

NORTH WARWICKSHIRE BOROUGH COUNCIL
LOCAL PLAN EXAMINATION

EXAMINATION MATTER 8, POSITION STATEMENT DEADLINE REVISION

1. This note is a procedural update to the examination guidance [INSP3], regarding Matter 8 'Viability and delivery' [INSP5]. The Council responded to Q19 of INSP2 via NWBC11.
2. That response explains that updated viability evidence is expected to be published no later than Monday 10 September 2018. I had previously set the deadline for position statements on strategic matters, including viability and delivery, as 1700 on 31 August 2018 [INSP3, paragraphs 20 and 21].
3. In the interests of fairness, **the deadline for position statements related to Matter 8 'Viability and delivery' is instead 1700 on 5 October 2018**. For clarity, I would explain that no timetable has yet been set for the second week of hearings, which will include matter 8 [INSP4].
4. Those who have already submitted position statements on matter 8 may, additionally, revise those statements by that date. I would also note that I have taken account of all correspondence received regarding the administration of the examination in the context of INSP3, paragraph 8.
5. I will keep proceedings under review, and would encourage all those interested in the examination to regularly consult the examination website.
