Subject: Re: North Warwickshire Local Plan Examination Update 1

Hi Kerry

Thanks for the email. I can confirm I will not attend the phase 1 hearings in September, however I can confirm that I require my objections in my response form (re-attached) to be discussed; mainly being

1. NPPF para 89 states

- Limited infilling in villages, and limited affordable housing for local community needs under policies set out in the Local Plan. This hasn't happened.

2. The land advised needs to have a development boundary applied, this hasn't happened

LP3.2 states that areas within Development boundaries are excluded from the green belt.

LP3.3 states that limited infilling in settlements washed over by the green belt will be allowed within the infill boundaries as defined on the proposals map;

If you can confirm this has been received and will be put forward for review, I'd appreciate it.
