Community Priorities

Warwickshire Police is obliged to protect communities from harm in line with the 'Police Priorities'

This may mean in exceptional circumstances SNT officers may be required to work on other policing priorities.

If this happens there will be a need to re-negotiate priorities. This will be done in liaison with the Chair of the panel

SNT Priorities

- **HGVs causing an obstruction – Kingsbury Road, Curdworth.**
- **HGVs causing an obstruction – Hams Hall Industrial Estate.**
- **Speeding vehicles – Birmingham Road, Water Orton.**

HGVs causing an obstruction – Kingsbury Road, Curdworth

- 17 targeted patrols carried out at the location.
- One HGV was seen causing an obstruction on one occasion. The driver was spoken to and asked to move on.
- Contact has been made with Rentacrate on the A4097, they have sufficient signage telling the HGV drivers that they can not park and wait on the A4097.

HGVs causing an obstruction – Hams Hall Industrial Estate.

- 24 targeted patrols carried out at the location.
 - One HGV was seen parked on a footpath on one occasion.
 - On two other occasions a Transit van and a small car were seen parked on the grass verges, not obstructing the footpaths. The drivers were spoken to and advised on both occasions.
- 

Speeding vehicles, Birmingham Road, Water Orton.

- 10 targeted patrols & speed checks carried out at the location.
- Vehicles were recorded travelling at excess speed on all of the speed checks.
- A total of 50 vehicles were recorded travelling at excess speed. 3 drivers were issued with FPNs (fixed penalty notices), the other motorists were given verbal warnings and advisory letters.
- The 30mph warnings have now been re-painted on to the surface of the road to remind motorists of the speed limit.
- In comparison to the 90 vehicles that were recorded travelling at excess speed on the previous checks, we feel that the re-painting of the 30mph signs has had a positive impact.

- Working with Neighbourhood Watch to promote security advice and reporting of suspicious activity
- See example crime prevention campaigns

Safer Neighbourhoods

- Set a timer switch to turn your lights on when it gets dark – unlit houses are a give away that no one is at home.
- Lock your doors, patios and downstairs windows - even when you are in. Make sure you double check them again before you go to bed.
- If you have a burglar alarm, make sure you set it when you got out and also when you go to bed.
- Don't leave car keys, ID cards or valuables near windows, doors or letterboxes, where burglars can reach through to steal them.
- Lock your garden gates and side entrances. Don't leave tools lying around in the garden which could be used to break in to your home.
