

Protecting our communities together

West Forum

Date: 27th November 2014

Data Protection notice

When discussing members of the public, all agencies and individuals will agree to respect their confidentiality. The disclosure of information outside this meeting, should not occur unless there is a legal basis for a disclosure.

Community Priorities

Warwickshire Police is obliged to protect communities from harm in line with the 'Police Priorities'

This may mean in exceptional circumstances SNT officers may be required to work on other policing priorities.

If this happens there will be a need to re-negotiate priorities. This will be done in liaison with the Chair of the panel

SNT Priorities

- **Parking outside Hurley Primary School – Heanley Lane/Knowle Hill, Hurley**
 - **Parking on Bromage Avenue, outside Kingsbury Primary School**
-

Parking outside Hurley Primary School

- 13 targeted patrols and engagement with school staff
 - In total, 7 motorists were spoken to about minor parking issues. No motorists have been issued with Traffic Offence Reports in this period.
 - From our patrols, there has been a notable decrease in the number of offending vehicles at this location and we genuinely feel that a large proportion of the parents have taken on board the advice given to them by officers.
-

Parking outside Kingsbury Primary School, Bromage Avenue

- 13 targeted patrols carried out at the location and engagement with School Headteacher and local residents carried out.
 - In total 9 motorists have been advised and given verbal warnings about their parking, 1 motorist was issued with a Traffic Offence Report for obstruction offences. Several groups of parents have been advised on basic rules of the road about where you can and cannot park.
 - Assembly with the children at the school conducted by PCSO Beale to highlight local issues, school parking being one of the main focuses.
-

- On 15th October PC Newton and PCSO Owen attended a crime prevention event at Nether Whitacre Village Hall whereby local residents were able to engage with the local SNT and gain access to invaluable crime prevention tools and information.
 - On 19th October, PC Hood and PCSO Owen issued 4 Section 59 warnings to riders of off road motorbikes seen in the area of Kingsbury Link. Great progress in dealing with this difficult issue.
 - Officers in the SNT are currently undergoing a massive project to update and reinvigorate our relationship with NHW co-ordinators that give their time to help us in serving the community. We hope as a result of the hard work, this will lead to better communication both to and from the police, in order to better inform the public and enlist their help in protecting the communities they live in.
 - 6 riders of off road motorbikes were issued with S.59 warnings by our off road policing team on 16th November. The team were requested by the local SNT as they have the specialist skills and equipment to deal with these offenders.
-

- On 23rd November, officers from the off road policing unit were again asked to patrol our area. As a result a further 6 S.59 warnings were issued to offenders.
- The pictured vehicle was seen on 11/11/14 parked on the junction of Barlow Court and Tamworth Rd – dangerous and obstructive – driver issued with traffic offence report
- Finally, we must advise you all that we have said a fond farewell to Sgt. Roger Fildes who has just worked his last day for Warwickshire Police after 30 years service. Sgt. Mitch Oakley will take on the role of North Warwickshire SNT Sergeant and brings a wealth of skills and knowledge to the role.

North Warwickshire Community Safety Partnership

- Reducing Rural Crime Project – Warwickshire Rural Watch scheme set up
- www.warwickshireruralwatch.co.uk
- Rural Crime Co-ordinator – Carol Cotterill
