Subject: Gift declaration

Hi Sofia. Can I please declare that I have received two gifts from the Old Salts water Orton warm hub clients. I run the warm hub in partnership with Old Saltleians RFC in my capacity as a ward.

The first gift of chocolate and alcohol was received in January 24 following my illness. I think it was intended as a Christmas gift as opposed to a get well present. I have since consumed the chocolate a large portion. I don't know what happened to the alcohol as my wife received it on my behalf as I was hospitalised.

The second gift was received last week on Thursday 12th December. As a thank you for my efforts in establishing and supporting the growth of the hub. It consisted of a selection of cheese and biscuits and a small bottle of port.

Unfortunately I no longer consume alcohol following my illness, but I was somewhat taken aback by their kindness and public presentation so I accepted the gift on 12 December.

Thanks and with kindest regards

Dave
